LIFEWOR

We sure hope you've enjoyed this Gathering of Women series and have been encouraged and strengthened in your faith. We will meet again this fall and look forward to seeing you then! In the meantime, go back through your notes and the Scriptures that we've studied-taking more time to dig deeper with the Lord into the message of "HELD". **You and I have been entrusted with truth: truth to live and to give.**

Sweet sisters, we need Jesus and we need one another. And the way that the truth of Jesus Christ is most effectively transferred is through **relationships**. So grab a friend and **invest what you've been entrusted with**... show her how the message of "HELD" has worked in your life... and then **show her how** to trust Jesus, to hold onto His Word in her own life, and to show someone else how. You can do this...and Jesus will be with you all the way! (Matt. 28:18-20).

You are greatly and dearly loved by The King!
